Hushed Kelley York

Hushed by Kelley York This is one of the best novels I have read this month maybe even this year. When I first received Hushed I thought it was going to be about a young man who is seeking revenge on behalf of his best friend Vivian. He would do anything for her, even kill.

Hushed by Kelley York - Goodreads

"A brilliantly transgressive YA novel. ... I also love how the novel doesn't hesitate to explore the trenches of the human mind that all of us are afraid to explore. It's ironic that the novel is called Hushed, yet it has so much to say." - Angel D. Matos, Doctoral student in English at the University of Notre Dame

Hushed is the kind of story that, if it were a film rather than a book, it would be the type of extremely slow, action less adaptation that only a patient viewer would tolerate. As a book, however, with the deep delve into Archer's mind, alongside the GREAT writing of Kelley York, is on a whole level of Whoa!
