Letters To Survivors - Home

These letters, each one speaks to you, to us, personally. I read the first letter, and took a deep breath, and went back to the most positive sentence I had read. Then, I moved on to the next, and the next. There is a ring of similarity to the letters, because, amazingly, survivors of rape share so many reactions to it's effects.

This kind of letter or document is often known as an "ethical will," and it can be of great worth to those who survive you. While you could legally include an ethical will statement in your regular will -- that is, the one you make to leave your property to others -- we recommend that you include these sentiments in your explanatory letter or in a separate document.
